POLICE OFFICER TESTING - 2022

The LeRoy Police Department is accepting applications for the position full time police officer. Applicants must possess high school diploma or GED and be over 21 years old. Applications are available at LeRoy City Hall, 207 S. East St; at LeRoy Police Department, 110 S. East St., and online at www.leroyilpolice.org. Applications may be turned in to City Hall or at the police department.

The testing process will begin with a mandatory orientation, a physical fitness test (Illinois P.O.W.E.R. test) and written exam (POST). Applicants should dress appropriately on test day to participate in the physical fitness test. The date(s) for orientation and testing are to be determined at a later date.

Applicants with prior police officer experience are encouraged to apply and will receive a waiver on the Power test and two bonus points on the written examination score. Two bonus points on the written exam are also awarded for prior military service with honorable discharge.

Starting wage is \$24.07 (with additional incentives for higher education and shift differential), and benefits including dental, health, paid vacation, paid holidays, personal time, sick time, IMRF, and an annual uniform allowance. A lateral transfer pay scale is included in the collective bargaining contract through the local ICOPS union. There is a 45-mile radius residency requirement for police officers, which must be complied with within 180 days. The police contract is available upon request to jwilliamson@leroy.org.

Applicants considered for employment will be required to pass a drug screen, medical physical, psychiatric evaluation, credit check, polygraph evaluation, panel interview, and an extensive background investigation.

Applicants who are hired must sign a three-year commitment contract prior to being hired. Applicants not willing to commit to three years with LeRoy PD need not apply. Applicants previously disqualified on a background check need not re-apply.

The City of LeRoy is an Equal Opportunity Employer.
